

MESSAGE FROM PRINCIPAL

The results are in! 1st quarter report cards have been published on Sycamore this week and it is important that every parent log in to view and electronically sign the report card. Please note that we will not be sending printed copies home so please let us know if you need help gaining access. Sycamore has other benefits as well and will play a major role in the communication process at IQA. Parents will be able to see their child's grades as they are updated weekly. It will be easy to identify missing assignments and follow-up with make-up work in a timely manner. There will also be a summary of what is happening in each class so that you can talk to your kids about what they are learning at school. Following the report cards this week we will also be publishing the Honor Roll to recognize and encourage positive achievement while following up with struggling students who may need a bit of additional support. We are off to a healthy start this year and looking forward to even better results as we use Sycamore and any other available means to nurture the partnership between parents, teachers, and students!

THIS WEEK'S PILLAR OF CHARACTER

Trustworthiness

Trustworthiness further enhances the integrity and sound moral conduct that is inherent in the notion of honesty. Being trustworthy implies being honest, fair in dealings and punctual (in terms of both regularity and timeliness) as well as honoring trusts and keeping promises and commitments. An important part of the noble Islamic character is being trustworthy. Prophet Muhammad was known, even before his Prophet hood to be Al Amin (the trustworthy one).

NEXT WEEK'S PILLAR OF

CHARACTER **Respect**

Upper grade girls will wear yellow hijabs on Friday to introduce it to the school for next week. Yellow reminds everyone to follow the "golden rule" of treating others the way we would like to be treated. The Prophet (p) said: "None of you truly believes until you love for others what you love for yourself." By introducing the pillar of character on Fridays we also have time to reflect over the weekend on ways we can highlight and practice it when we return to school on Monday. We look forward to a wonderful week focusing on respectful behavior
